FROM THE PRINCIPAL

Dear Parents and Community Members,

The annual report card issued by the Oregon Department of Education offers a comprehensive picture of Fremont and A.D. Hay Elementary Schools. Smarter Balanced testing is administered to grades 3 - 6. OAKS testing is still administered in grade 5 for science.

The Smarter Balanced test results in 3 - 6 grades reflect test scores in both reading and math compared to the state average. The scores in white are Met and Exceeded scores. These scores combined to form a percentage of passing scores. The Smarter Balanced reading score for Fremont and A.D. Hay Elementary Schools is 60.5% compared to the state average 52.8%. The Smarter Balanced math score for Fremont and A.D. Hay Elementary Schools is 49.3% compared to the state average 43.7%. The OAKS science score for A.D. Hay Elementary 5th grade is 14.3% compared to the state average of 15.7%.

Fremont and A.D. Hay Elementary Schools continue to be RTI (Response to Intervention) schools. RTI provides a framework that assesses every student's abilities in reading and mathematics. The teaching staff reviews the assessment results and instructional programs are assigned to address the needs of every student.

Fremont and A.D. Hay Elementary School Staff continue to push forth advancements in curriculum and instruction that aligns with Common Core Standards. Specifically, we have added teaching assistants to support classroom teachers. All classrooms are using Engage New York Math to advance student's skills in math. Our ultimate goal is to advance student achievement in the Common Core Standards and Smarter Balanced Assessments in the spring. If you have any questions related to Common Core Standards or Smarter Balanced testing, please contact me at (541) 947-2136.

Thank you,

Principal | Susan Warner
