- Receiving/Feeder Schools are now included as a continuation of School of Origin rights, if requested by parent or youth.
- Presumption that School of Origin placement is in student’s best interest, unless not desired by parent or student

MV: Changes Under ESSA

- Homeless students must receive appropriate credit for coursework completed in prior schools
- Homeless students must be able to access academic and extra-curricular activities, including:
 - magnet schools
 - charter schools
 - summer school
 - career & technical education
 - advanced placement
 - online learning
